

Who We Are

Glenn Sanford Founder and CEO

- Glenn Sanford had important roles at Internet start-ups before launching a real estate career in 2002.
- In his fourth year in real estate with a major national franchisor, his team closed more than \$60 million in real estate by connecting with consumers online.
- Glenn believed that agents and brokers do the heavy lifting in real estate and deserve benefits of being a shareholder and income based on the level of their contribution.
- In 2009, Glenn founded the first cloud-based brokerage — eXp Realty.
