

Known throughout the industry as one of the most innovative brokerages, eXp Realty agents have access to some of the most powerful technologies in real estate. Check out the list below to see what is provided to eXp Realty agents, including lead-generation tools and transaction technology, content marketing tools and a private social community for collaboration.

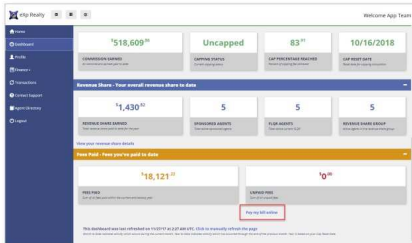

## eXp World

Cloud-based Campus

eXp World is the real estate office of the future, but available today. A cloud campus environment where agents can meet and learn together, no matter where they might be located.

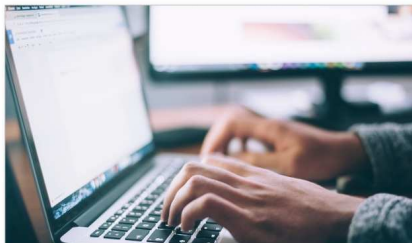

Jump in a meeting or learn on the go with eXp Realty agents everywhere. Agents gain instant, live support from eXp's agent services, technology and finance experts ... all from wherever an agent or team is located.

## eXp Enterprise

Business Intelligence

eXp Enterprise is an agent's personal launch pad to all things eXp Realty. It gives agents autonomy and greater visibility into crucial metrics and business intelligence. From a dashboard to view transactions and commissions to a resource for marketing materials.

## Transaction Management

We provide our agents with a transaction management platform to manage their transactions from beginning to close — totally paperless.

- Review transactions from any device
- Sign documents digitally
- Run business with top-grade security features

## Lead Generation and Marketing

eXp Realty provides agents with a powerful platform that offers end-to-end, lead-to-contract management, including web and IDX, listing promotion, transaction integration and more.

## Workplace by Facebook

Private Social Community

Workplace is an easy-to-use collaboration platform, a lot like Facebook, but built for the world of work.

- Create groups to collaborate or share referrals
- See company announcements and updates
- Communicate instantly with a team and others across the company
- Broadcast live video and view past recorded videos

## Marketing & Branding

eXp Realty provides templates to help agents market their business with the flexibility and creativity to co-brand their design in the way they feel works best. Business cards, brochures, signage and more!

The **eXp Marketing Center** is our go-to marketing resource with hundreds of templates available to customize including brochures, flyers, open house tools, pre-written letters, social media announcements and other helpful marketing materials.
